Groupe Cousineau Le May Wins Award World of Concrete, Las Vegas, Nevada January 23, 2008

Michel Philippe, President, IntegraSpec ICF, Kingston, Ontario, presented the 2007 IntegraSpec Distributor of the Year Award to Michèle Cousineau and Richard Le May. This prestigious award was presented during the World of Concrete festivities in Las Vegas, Nevada.

Groupe Cousineau Le May have been IntegraSpec ICF distributors for ten years. This recognition takes into consideration sales growth, new market penetration, training, technical support, and Groupe Cousineau Le May's overall professionalism.

IntegraSpec ICF has numerous North American and International manufacturing locations, and is recognized globally as a leader in Insulated Concrete Form Technology.
